Dear participant,

Thank you for your registration for the ICEG interoperability training on Friday the 4th of December at 10AM.

Ahead of the training, we would be grateful if you could go through this document in order to get familiar with the whiteboard we will be using. If any problem would occur, please contact eveline.vlassenroot@vlaanderen.be

Instructions for the use of the ==Miro whiteboard==:

1. Go to the [Miro whiteboard](https://bit.ly/whiteboardiceg) (link: https://bit.ly/whiteboardiceg)

2. Explore the whiteboard.

3. Try to ==zoom in and out== of the whiteboard. If you click on "fit to screen" you will automatically have a good overview of the whiteboard.

This button can be found at the right side bottom.

4. Try to add a sticky note to the board.

You can for example add your name and organisation in a sticky note and place it in the box "Getting familiar with Miro".

This "Add sticky note"-button can be found in the bar on the left side.

5. Feel free to explore even further in the whiteboard but for now that's all you need to know.
   See you on Friday!
